## RON ROBLE ZAFRA

### Tasting Notes

#### Production:

Made from 100% Sugar Cane Molasses. Continuous 5 Column Still Distilled. A careful selection of only the 10 best oak casks for each vintage differentiates Zafra from the rest of our portfolio.

#### Aging:

15 years without replenishment of losses (Non Solera).

#### Blend:

100% Single Vintage

 At first glance, its intense amber color, clean and bright is its main highlight. Of abundant and thin tears, of very slow passage, that reflect its high density.

 This unique rum presents a surprising mixture of citrus notes, nuts, red fruits and wood.

 On the palate it gives us a gentle, soft, slightly sweet start. Red fruits give way to plum,

sarrapia, orange peel, almonds and walnuts, with balanced acidity and tannicity. Of moderate minerality. It provides a long, intense, silky finish.

#### Perfect Serve:

Neat or on the rocks. Ideal harmony to be enjoyed with a good cigar or an exceptional Venezuelan chocolate.
